

As we enter these last days, a tidal-wave of unbelief has arisen to challenge the truth and power of the Word of the Living God. The Spirit of anti-Christ has infiltrated the world and is spreading at an alarming rate. The plan and purpose of the enemy of Christ has always been to directly contradict and oppose the Word of God.

This attack is upon the essential and foundational truths found in the Word of God including salvation, the infilling of the Holy Spirit, the gifts of the Holy Spirit, the Cross, the shed Blood of Jesus, holiness and divine healing. These attacks are no longer being waged only by traditional atheists and agnostics. These assaults opposing the Word of the Living God are now being championed by many denominational and non-denominational mainline churches and church leadership.

The Gospel truth regarding the present day ministry of the Holy Spirit and His miracles has repeatedly been watered down to such a degree that the Church has effectively changed the New Wine of the New Covenant back into water.

We believe that the Holy Spirit is calling the Body of Christ back to the move of God that existed in the early Church as found in the book of Acts. It is God's desire that we return not only to the miracles of the early Church, but also to the intimacy of daily fellowship with The Father and The Holy Spirit.

One of the greatest revelations that will inspire and encourage you is to receive a personal revelation in both your mind and your heart that not only is God able to heal today, but more importantly, He is willing to heal you.

Your Heavenly Father wants to heal **you** personally because of His overwhelming love for you. Although God's Word is extremely clear on the subject of healing, there are many other voices contradicting and denying that God can and will heal you today.

The devil has always contradicted God's Word since the Garden of Eden. God told Adam and Eve:

But of the tree of the knowledge of good and evil, thou shalt not eat of it: for in the day that thou eatest thereof **thou shalt surely die**. Genesis 2.17

When satan spoke to Eve he said *"You will not surely die,"* Genesis 3:4. This statement by satan was the exact opposite of what God had said.

Is it any wonder that although your Bible is filled with hundreds of promises of healing for your body, satan boldly declares the exact opposite of the Word of God?

Jesus told us that everything satan says is a lie.

“Whenever he speaks a lie, he speaks from his own nature; for he is a liar, and the father of lies.” John 8:44

Since there are multiple voices and theories that contradict one another regarding healing, how do we know what to believe? The simple answer is to *believe the Word of God*.

Any time God promises to do something, simply believe Him. Whatever you see in the Word of God you can trust. You can absolutely always trust your Father's Word. When you read that Christ is the Healer, expect to hear satan boldly contradict the Word of God.

God says, “I AM the Lord that healeth thee.” The devil boldly proclaims “No, he's not, God has changed His mind and He has changed His Word. He is no longer the healer. You can't trust His Word.”

The devil always lies and contradicts the Word of God. You know what to believe. Believe the Word. We have purposed to never contradict or question God's Word or His authority. When the Word of God regarding healing is contradicted or changed by man, many people will needlessly suffer. Unbelief or ignorance of the Word will cause us to live without the many blessings that God desires to provide.

Many who are sick and beyond the reach of modern medicine will remain in their present condition if they do not receive the truth of the Word of God. Some of these people will die before their time. This book offers hope based on the promises of Almighty God.

God's Word is the truth, the whole truth, and nothing but the truth. If you need healing for your body, you will be blessed and encouraged to find that healing is available for you in the Covenant that you already have with God. Once your eyes and heart are open to the great truth that God desires to heal your body, you can begin to claim the blessings and benefits that are provided in the Covenant. It is important to take your rightful place as a believer.

Once you are in position, you can then take possession. As soon as you are in faith and believing God's word regarding healing, the door to the supernatural is open and healing can begin to work in you and for you.

The foundation of this teaching is not based on the result of a majority vote or poll of man. To find out what God actually says regarding divine healing, we went through the entire Word of God and typed every Scripture reference we could find regarding healing. This compilation of these healing Scriptures are included in the last two chapters of this book.

This book is unique in that respect. Instead of supporting our thoughts with Scripture, we instead **began** with the Scriptures and then commented on the clarity and integrity of what God has already said. This book was literally built upon the Rock of the Word of God. We affirm and agree that God's Word alone is truth.

After we gathered all of the Scriptures we could find regarding healing, we read them over and over. We read these Scriptures without commentaries and simply let God speak through His Word. When we looked only at what God said, we discovered something undeniable. Healing is contained within our Covenant with God and has been since God declared and revealed His Name.

I am the Lord that healeth thee. Exodus 15:26

This great theme of healing for God's children remains consistent throughout the Bible. As we began to read and study all of these healing Scriptures, we felt the power and presence of God. We realized that the words we were reading had the power, authority and backing of all of Heaven. We were encouraged when we read the accounts in the New Testament where the disciples of Jesus Christ performed signs and wonders and healed those who were sick.

We know that we are also disciples of Christ. As His disciples we have the same calling and anointing on our life as those early disciples. We have been given the same instructions the disciples of the Bible received. We have the same authority they had to do the same work they did.

We pray that as you read this book the presence and power of God will be real to you. Allow the time you spend reading this book to be time spent with your Heavenly Father. Don't just read these words mechanically. This Covenant of healing belongs to you personally. Let God know that you are counting on His Word. Our prayer is that as you read this book the presence of the Holy Spirit will descend upon you in a mighty way and your heart will be strengthened.

This book is written for the following purposes:

Excerpt from **I am Still the Lord that Healeth Thee**

First, this book is written as a gift of hope to those of you who need a healing miracle and who have been told by man that your condition is beyond the reach of medical science. Your healing is not a difficult thing for your Father in Heaven.

The second purpose of this book is to prove through the evidence of Scripture that divine healing and miracles are still available to all who will believe and receive.

The final purpose of this book is to defend the clarity of the Word of God from the attacks of satan regarding the subjects of healing and miracles.

This book was written for you. Without knowing you, we love you. We have prayed and continue to pray a special healing anointing on everyone who reads this book.

We will rejoice with you when the chains of sickness are broken off of your body and you are set free by the power of the Word of God. God loves you. The good news, or rather the “God news” is contained within your Bible and is a clear path to your healing. There is no limit to what your God can do. Is anything too hard for the Lord? NO, a thousand times NO!

Not only **can** God heal you, but the good news is that He **wants** to heal you. Begin your journey to healing now.

He is still the Lord that healeth thee!
